**DATE:** March 7, 2019

**SUBJECT:** Teens Against Graffiti Program

**PREPARED BY:** Leslie Johnson

**BACKGROUND:** The Teens Against Graffiti Program was developed as a partnership between the 4th District Juvenile Court and cities within our district. This provides the youth involved in the court system an opportunity to complete community service hours and repair harm to their communities. It also provides this service to the cities without labor costs. It is a very valuable service to our youth and cities.
